WHO DO YOU THINK CAN PROTECT IT?

The background is a vibrant, abstract collage. It features various geometric shapes like triangles and circles in shades of green, purple, orange, and pink. There are also brushstroke-like textures in blue and green. The central text is set against a plain white rectangular area.

**CAN WE REIMAGINE
THE CAREERS WE
SPOKE ABOUT?**

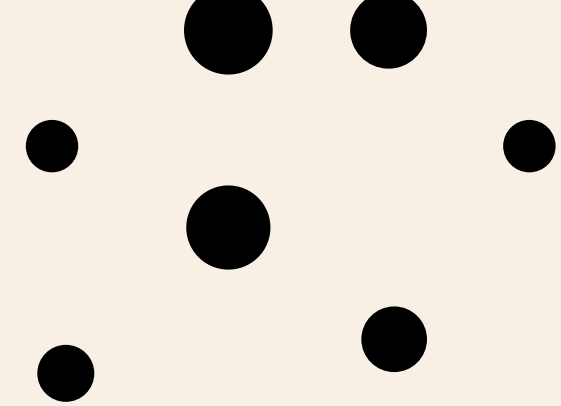

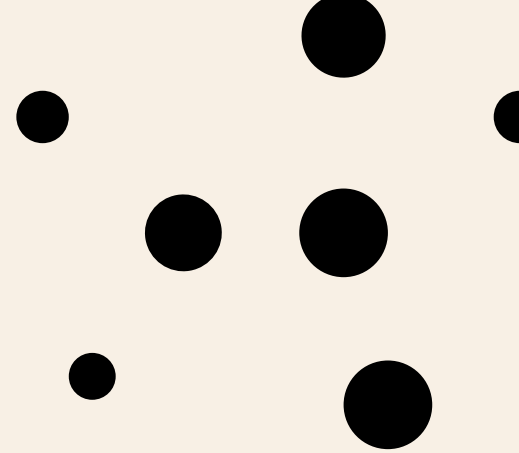

The background is a vibrant, abstract composition of various colors and shapes. It includes large, soft-edged blocks of color in shades of green, purple, orange, and pink. There are also smaller, more dynamic elements like blue polka dots on an orange background in the lower-left, and white curved lines and brushstrokes scattered throughout. The overall style is modern and artistic.
